

I'm Alana! I started Run Muskegon back in 2011 when I moved to Muskegon and was looking for a run club. Muskegon didn't have one....so I made it! I am a certified running coach and LOVE meeting and helping newbies fall in love with the sport. I've raced all distances, but my favorite distance is a 10-mile run that takes me from downtown Muskegon to the Pere Marquette beach and back. When not running, you can find me running around at work (Pigeon Hill Brewing), walking my dogs or out supporting local businesses and events.
