since 2017, running since 2012

Briefly explain your running history and experiences. *

I began running in my 30's when a friend of mine challenged me to run a 5k with him. I immediately said yes, thinking....how hard can it be. Needless to say I didn't run that 5k but needed to prove to myself that I could do it. I mapped my route and ran it as far as I could everyday and then would walk the remainder of the route. I eventually found myself running the entire distance of the route, 5k, and began entering races for the encouragement and challenges. I have since checked off countless 5k races, a handful of 1/2 Marathons and have Captained 7 Ragnar teams!
